

Navigating the EIT Library: Finding Resources for Your Assignments

7/9/2026

[Watch Webinar Recording Here](#)

Elya Moshiri

Instructional design and libraries manager

About EIT

We are dedicated to ensuring that you receive a world-class education and gain skills that you can immediately implement in the workforce.

World-Class Australia Accredited Education

Our vocational programs and higher education degrees are registered and accredited by the Australian Government. We have programs that are also recognized under three international engineering accords.

Engineering Specialists

EIT is one of the only institutes in the world specializing in Engineering. We deliver professional certificates, diplomas, advanced diplomas, undergraduate and graduate certificates, bachelor's and master's degrees, and a Doctorate of Engineering.

Industry Experienced Lecturers

Our lecturers are highly experienced engineers and subject specialists with applied knowledge. The technologies employed by EIT, both online and on-campus, enable us to source our lecturers from a large, global pool of expertise.

Industry Oriented Programs

Our programs are designed by industry experts, ensuring you graduate with cutting-edge skills that are valued by employers. Our program content remains current with rapidly changing technology and industry developments.

Unique Delivery Model

We deliver our programs via a unique delivery methodology that makes use of live and interactive webinars, an international pool of expert lecturers, dedicated learning support officers, and state-of-the-art such as hands-on workshops, remote laboratories, and simulation software.

Event Conduct

Please keep discussion lawful and respectful; follow the moderator's directions. Do not share illegal or abusive content. Recording is not permitted unless authorised. Breaches may lead to removal.

To protect intellectual property, confidential information, and the privacy of presenters and attendees, the use of AI note-taking bots, recording bots, or automated meeting assistants is not permitted during this webinar. Any unauthorized AI agents may be removed from the session at the organizer's discretion.

Agenda

	The library webpage
	The current collections
	Searching for ebooks, papers, and standards
	Additional resources
	Contact details
	Q & A
